

New Thespian Group Starts Here Soon

Adults who have a flair for acting will have a chance to do their stuff soon, with the formation of the Torrance Theater Guild, sponsored by the Recreation Department.

Community players' groups, which have found success in many nearby towns, provide an opportunity for those over 18 years of age to do reading and acting.

Louis Breskin, of the high school faculty, will be director. He has considerable dramatic experience as an actor both in Canada and the United States, the Department said.

Productions will be staged in the Civic Auditorium.

Interested persons should contact the Department, or call FAirfax 8-4108.

Supervisor Urges Action On New Hall

A tentative time schedule for the steps in construction of the badly needed new Juvenile Hall approved by the voters last June, was released yesterday by Supervisor Kenneth Hahn.

Hahn said that he would not vote for any more delays in selecting the site for the new Hall. The site at Rancho Los Amigos is satisfactory, he said, adding that there would be objections wherever the new Juvenile facility was located.

The plant will serve all of Los Angeles County.

According to the contract signed two weeks ago the architect is to have 60 days to complete the preliminary plans, 120 for the final plans—or April 1, 1955. Hahn stated the contracts should be awarded by June 28, with a groundbreaking set for July 1, 1955.

Auto Crashes Party -- Right In the Door

A homebound motorist dropped in on a party at the Halfway House, 3103 Pacific Coast Hwy., Sunday, but wasn't appreciated by all the guests.

He drove his car through the front of the building.

Bar tender Jerry Sinner told police he and the motorist Albert F. Captain, of 25838 Narbonne Ave., would arrive at a settlement. Several hundred dollars damage resulted.

Captain said the power brakes on his 1954 car failed and he lost control of the auto.

New Students Given Party At Marymount

New high school students of high school auditorium, Marymount School of Palos Verdes were formally greeted with a welcoming party given by old students last Friday in the high school auditorium, Marymount officials reported today.

Under the chairmanship of senior student Louise Kraabel, the welcoming committee arranged a program of singing, charades, and refreshments that consumed most of the afternoon hours. The program commenced with the older girls singing a welcoming song to the new students. After charades, a community sing joined the 65 participating girls in harmony. New girls wore corsages of purple and yellow to distinguish them from the older girls' blue and white corsages.

The welcoming committee then paired the girls off into pre-arranged big and little sister combinations. Throughout the school year, Marymount officials explained, the big sister will look after her little sister, helping her in studies and in becoming accustomed to school organizations and routines. Girls were paired carefully according to close vicinity of homes and mutual interests.

The social afternoon closed with the serving of refreshments.

John E. Mungen, of 2774 W. 239th St., reported the theft this week of a set of golf clubs, an 8 mm movie projector, a bath robe and a pair of gloves from his unlocked auto while parked inside his garage.

A white bag containing \$25 was snatched from a grocery cart while Mrs. Mary Andre, of 2423 W. 227th St., was shopping in a downtown market, police reports show. The purse, minus the cash, later was found in another store.
